## **SEX OFFENDER REGISTRATION COMPLIANCE CHECK OPERATION**

RIVERSIDE, CA – On Wednesday, October 31, 2018, law enforcement officers from around Riverside County conducted a compliance check operation of numerous sex offender registrants living within the city of Riverside. This operation was coordinated by the Riverside Police Department and executed with the assistance from members of the Riverside County S.A.F.E. (Sexual Assault Felony Enforcement) Task Force, Riverside County District Attorney's Office, Riverside County Probation Department, California Department of Corrections - Division of Adult Parole, and the United States Border Patrol.

The operation is part of our department's ongoing efforts to remain in regular contact with registered sex offenders in the city. These operations help police to confirm the sex offender's residential information provided by them at the time of their last registration, and to investigate those offenders who may be out of compliance with state requirements. In today's operation, two offenders were found to be out of compliance and their cases will be filed with the District Attorney's office.

Information related to sex offenders, the sex offender data base search tool, and resources pertaining to sexual assault prevention and education can be found on the State of California Department of Justice "Megan's Law" website at [www.meganslaw.ca.gov](http://www.meganslaw.ca.gov). You can also access this website through the "Links" feature in the Riverside Police Department's mobile app.
